# MULLED WINE

ready to drink

## Austrian Mulled wine

10 liter canister, ready to drink

When producing our mulled wine, we pay attention to **tradition**. We exclusively use **Austrian red, white and rosé wine** for this purpose.

We are the **only producer** to use the **traditional extraction method**: cinnamon sticks, cloves, and sugar are added directly to the wine tank, allowing the flavors to infuse naturally. Once the desired intensity is reached, the finished mulled wine is filtered.

**NO artificial flavorings** are used. This is, of course, noticeable in the quality.

<b>MULLED WINE</b> made from <b>red wine</b> 10 % vol. <i>full-bodied red wine with cloves and cinnamon bark, sweetened with sugar</i>	<b>€ 2,10</b>
<b>MULLED WINE</b> made from <b>white wine</b> 10 % vol. <i>fruity white wine flavored with cloves and cinnamon sticks, balanced with sugar</i>	<b>€ 2,30</b>
<b>NEW</b> <b>MULLED WINE</b> made from <b>Rosé wine</b> 10 % vol. <i>aromatic rosé wine refined with cloves and cinnamon, rounded off with sugar</i>	<b>€ 2,30</b>
